

Thanks for your interest in Rose Bank Winery for your event. We have two spaces available to accommodate up to 150 people.

For groups up to about 150, we rent out the winery building. The winery building was opened in 2005, and houses our winemaking operations, including our fermentation and tank rooms, the bottling line and our lab.

We also rent our 1835 Stone Bank Barn, which has room for 6 60" round tables upstairs and 6 downstairs. With 8 at a table, the Barn has room

for 96 people, and you can fit 6-8 more at the side bar downstairs. You can also fit in a "sweetheart" table for the bride and groom. The Barn features a deck and a patio for your enjoyment. Sorry, no music or dancing on the deck or patio (Newtown Twp. Ordinance).

Both spaces come with 60" round tables and folding chairs. Also, you may use our wine glasses.

We like events to end by 10 PM, as we adjoin a residential subdivision and are located in a "Conservation District." Special arrangements can sometimes be made to allow later events, please ask. Serve any beer or hard liquor you wish, but you must serve Rose Bank wine if you are serving wine, as we are allowed to hold these functions *to promote our wines and winery*.

Use any caterer you like, as long as they have a license from a recognized Board of Health and a minimum 1 million dollar liability insurance policy. If you wish to cater your own affair, coverage can usually be arranged with your homeowners insurance. A Preferred Caterer List is included here (last page) for your convenience. Caterers working their first event at Rose Bank Winery are required to post a \$250.00 security deposit. We like the deposit as a check, so if everything is satisfactory after the event, we can just write "Void" on the check and give it back.

We have two popular outdoor sites where people like to exchange their wedding vows. There is no additional charge to have your ceremony on the property. If you need a celebrant to perform your ceremony, we can give you some information to get you started. Need a band or DJ, a photographer, florist or decorator? We can help you there too, just ask.
